## DEPARTMENT OF ENVIRONMENTAL PROTECTION NON-REGULATORY AGENDA

Title	DEP ID	Description	Type/Action	Applicable Advisory Committee(s)	Pa. Bulletin Status	Contact Person
Policy on Public Participation in the Development of Regulations and Technical Guidance	012-1920-001	Ensures all guidance documents and regulations are developed with inclusive and effective participation by the public throughout the development process.	Policy/ Substantive Revision	All	Publish as Draft Quarter 1 2020	Jessica Shirley Policy Office (717) 783-8727 jesshirley@pa.gov
Environmental Justice Public Participation Policy	012-0501-002	This policy outlines the community engagement responsibilities for regulated entities operating under the prescribed list of trigger permits in environmental justice communities.	TGD/ Substantive Revision	Environmental Justice Advisory Committee	Publish as Final Quarter 3 2020	John Brakeall Office of Environmental Justice (717) 783-9731 jbrakeall@pa.gov
Policy for Pennsylvania Historical and Museum Commission (PHMC) and Department of Environmental Protection (DEP) Coordination During Permit Application Review and Evaluation of Historic Resources	012-0700-001	This policy establishes procedures consistent with the Pennsylvania History Code for DEP plan approvals and permit application reviews. The intention is to provide PHMC with the information necessary to determine whether significant archaeological sites or significant aboveground historic resources may be adversely affected by an activity and to meet DEP's obligations to protect historic resources.	TGD/ Substantive Revision	N/A	Publish as Final Quarter 4 2020	Bob Digilarmo Office of Program Integration (717) 772-1839 rdigilarmo@pa.gov
Surface Water Protection – Underground Bituminous Coal Mining Operations	563-2000-655	This provides direction to staff in the Department who review underground mining applications, respond to reports of alleged impacts, or conduct regular evaluations of the surface waters and land located above underground mines. It also provides guidance to the regulated community regarding how to comply with existing legal requirements.	TGD/ Substantive Revision	Citizens Advisory Council	Publish as Draft Quarter 4 2021	Sharon Hill Mining Programs (717) 787-6842 shill@pa.gov

Title	DEP ID	Description	Type/Action	Applicable Advisory Committee(s)	Pa. Bulletin Status	Contact Person
Engineering Manual for Mining Operations	563-0300-101	The manual provides direction for sections of mining permit applications which involve engineering, including erosion and sedimentation control, water treatment, haul roads, stream encroachments, culverts, wetlands and areas where mining is restricted. The manual describes acceptable designs and when variations are possible.	TGD/ Substantive Revision	Mining and Reclamation Advisory Board	Publish as Draft Quarter 3 2020	Greg Shuler Mining Programs (717) 783-1199 gshuler@pa.gov
Civil Penalty Assessments	562-4180-306	The guidance establishes procedures to assure consistency in civil penalty calculations for violations related to mining operations.	TGD/ Substantive Revision	Mining and Reclamation Advisory Board	Publish as Draft Quarter 3 2020	Eric Oliver Mining Programs (814) 342-8126 eoliver@pa.gov
Determining Eligibility of Pre-existing Pollutational Discharges	563-2112-610	Provides incentives for surface coal mine operators to remine lands previously impacted by mining activities have pre-existing pollutational discharges. This TGD will be reformatted and retitled because the content will include existing language and new language.	TGD/ Substantive Revision	N/A	Publish as Draft Quarter 4 2020	Sharon Hill Mining Programs (717) 787-6842 shill@pa.gov
Alkaline Addition for Surface Coal Mines	563-2112-217	Defines the situations in which the Department will consider the use of alkaline addition and provides guidance on calculation of application rates and placement of alkaline material.	TGD/ Substantive Revision	Mining and Reclamation Advisory Board	Publish as Final Quarter 3 2020	Greg Greenfield Mining Programs (717) 787-3174 ggreenfie@pa.gov
Liners, Impoundments, Stockpiles, and Coal Refuse Disposal Areas	563-2112-656	Describes the criteria and procedures for the Department to approve liners (and capping) for storage and treatment impoundments, coal refuse disposal areas, and stockpile areas associated with coal surface and underground permits.	TGD/ Substantive Revision	Mining and Reclamation Advisory Board	Publish as Draft Quarter 3 2020	Greg Shuler Mining Programs (717) 783-1199 gshuler@pa.gov

Title	DEP ID	Description	Type/Action	Applicable Advisory Committee(s)	Pa. Bulletin Status	Contact Person
Financial Assurance and Bond Adjustments for Mine Sites with Post-mining Discharges	563-2504-450	Describes the process of bond determination or the establishment of a trust fund by the permittee to ensure long-term treatment of pollutional post-mining discharges.	TGD/ Substantive Revision	Mining and Reclamation Advisory Board	Publish as Draft Quarter 4 2020	Eric Oliver Mining Programs (814) 342-8126 eoliver@pa.gov
Civil Penalty Assessments in the Oil and Gas Management Program	550-4180-001	Provides a procedural guidance for DEP Oil and Gas Management staff for assessing and calculating appropriate civil penalty amounts to seek in settlements, or to assess in penalty actions for violations, and to provide advisory information to the regulated industry.	Policy/ Substantive Revision	N/A	Publish as Draft Quarter 3 2020	Kurt Klappowski Oil and Gas Planning and Program Management (717) 772-2199 kklappowsk@pa.gov
Pressure Barrier Technical Guidance for Unconventional Operations	800-0810-003	Will serve as a reference for DEP Oil and Gas Inspectors and the unconventional industry when there is a need to employ well control equipment, indicating what pressure control measures are appropriate.	TGD/New	Oil & Gas Technical Advisory Board	Publish as Draft Quarter 3 2020	Seth Pelepko Oil and Gas Planning and Program Management (717) 772-2199 mipelepko@pa.gov
Guidelines for Implementing Area of Review (AOR) Regulatory Requirement for Unconventional Wells	800-0810-001	This policy is developed to facilitate appropriate risk mitigation for unconventional well operators and includes a risk-based classification scheme for offset well locations and commensurate levels of monitoring; sections addressing communication incident management, reporting, and resolution; and operational alternatives and technical considerations for different anticipated scenarios. This policy also provides an outline of DEP's well adoption permitting process.	TGD/New	Oil and Gas Technical Advisory Board	Publish as Final Quarter 4 2020	Seth Pelepko Oil and Gas Planning and Program Management (717) 772-2199 mipelepko@pa.gov
