

GOVERNMENT-FINANCED CONSTRUCTION CONTRACT (GFCC) APPLICATION CHECKLIST

A Government Financed Construction Contract (GFCC) is contract between a mining contractor and the Department of Environmental Protection (DEP) to reclaim abandoned mine lands. As such, it is not a mining "permit" subject to the regulations of Pa. Code Chapters 86-90. However, the activity is subject to other environmental statutes and regulations.

A complete application package will require submission of the GFCC application and additional documents. The following checklist is to assist the operator in submitting a complete package so the PA DEP can expedite the review of this proposal.

Applicant: _____ **Project Name:** _____

This Project is a:

☐ Small (Short Term) GFCC Project
