

## Chesapeake Bay Countywide Action Plan (CAP) Project Category Form

County Name: Clear County

Project Title: Davis Farm Agricultural BMPs Design and Permitting

In the space below, explain why the project is not eligible or was not prioritized for CAP Implementation funding.

The project is design and permitting only, not construction.

---

---

---

Acknowledgement and explanation that the above listed project is not eligible or was not prioritized for CAP Implementation funding. Eligible Growing Greener projects include, but are not limited to: AMD treatment, operation, maintenance and repair/replacement, technical assistance, evaluation, assessment and monitoring tools, watershed group organization/support, education and outreach, or design and permitting. CAP funding should be the priority funding source for Agricultural projects.
